

We have rights to choice we wants. you can't block our rights becasue its ADA laws rights is Deaf and Hearing access are equal rights. You can't do that to DEAF people's choice becasue its ban you remove our rights (deaf) is equal to hearing rights. We want to choice to call any VP like dlink, different company, we can call VRS on VP anytime quickly answer it as National Relay Service on TTY Thereore We have rights that VRS answer quickly without waiting too long! You remove our right which you broken Fedral ADA law as you violated seriously our rights. The Deaf people choice SorensonVRS, Dlink, or other to call other without block. We are in disppointment with you!
I am DEAF. I tell Deaf people what you did to our rights as violated!
